

Senior Resource Center Names Jim Hackett as Director

Additional Programs in Planning Stages

August 2010 - The Senior Resource Center has appointed Jim Hackett to the position of Director.

Previously, Jim was Coordinator for Senior Services at Hope House in Dover, New Jersey where he was responsible for the development and management of the Operation Fix-it, Hope Connection and Chore programs. He is also a member of the Caregivers Coalition of the United Way of Morris County and has been active in various Morris County community efforts

Jim is an advocate and resource for older adults and caregivers and is looking to find avenues in which the Senior Resource Center can continue to extend its program offerings to a wider range of residents in western Morris County and beyond.
